

Fathers & Breastfeeding

Fathers: “15 will get you \$10!”

I’m Calvin Williams, a fatherhood service provider and Certified Lactation Counselor (CLC). As a CLC, I have an interest in the topic of **the fathers role in breastfeeding**.

Schedule a 15-minute conversation with me on Zoom. Get a \$10 gift card!

If you’re a father:

- Whose child is currently being breastfed
- Whose child was breastfed in the past (no matter for how long)

I’d love to talk with you!
